## Comparison of adjectives worksheet grade 6 printable free printable

Wacky SentencesWacky SentencesLet's get wacky with our sentences! This worksheet challenges students to follow certain rules to create sentences while learning about different types of words, such as comparatives, possessives, and more.2nd gradeReading & Writing If you download this freebie, please leave feedback, even if it's just two words. Thank you, I would really appreciate that. Thanks!Thank you for downloading our free material. I hope you enjoy it. If you want to keep up to date with my sales, new resources, freebies and so much more click the green ★ next to my store name!To buy the whole set of this wonderful material, please click here:244 CARDS:BUNDLE: COMPARATIVE, SUPERLATIVE ADJECTIVES, comparison, ESL, autism, 244 CARDS (teacherspayteachePage 2)WOW! I'm thrilled to have 1,400 fabulous followers! To celebrate, here is a fun mini-booklet comparing pumpkins and apples, two favorite early childhood topics in autumn. Compare and contrast their color, size, how they grow, their seeds...this booklet is a fun way to introduce higher level thinking skills! It's suitable for Pre-K, Kindergarten, and First Grades, as well as Homeschool and Day Care. This freebie is found in my Apples and Pumpkins Songs and Rhymes resource, where you can find my oriPage 3Comparative & Superlative Adjectives BOOM Cards by This set of Boom Cards is to help students identify vocabulary using comparative and superlative adjectives. It's perfect for ESL students or lower grades ELA students.Students can complete alone and it's great for distance learning.What are Boom Cards? - Boom cards are digital task cards that you play on the Boom Learning website.Why use Boom Cards? They are easy and fun to use!No printing, cutting, laminatingInteractiveSelf-gradingUse with internet connected devices: computers, tablets, SmartbComparatives and Superlativesby This is an absolutely wonderful animal lesson that can be used to teach comparatives and superlatives. I wish I could take credit for it, but it is!Almost entirely the work of Leo Fuchigami, a very talented teacher and Powerpointer. I made some small changes to the flow of the PPT and the length of the video clips, but my contributions were very minor.The rules are explained in the PPT, but basically the class is split into teams and they must choose a type of animal and an adjective, and declTrue False Comparative Gameby I love to provide my students with all kinds of entertaining games, competitions brainstorming activities to reinforce their skills. This fun, interactive PowerPoint game with sounds and animations will keep your students captivated and engaged as they learn or revise comparative adjectives. The clock beats the time and the students have exactly 10 seconds to choose between true and false. Just make sure to wait till the 10 seconds are over before you click a "True" or "False" button. When theWinter Comparative Endings Go Fishby This is a fun game that helps students recognize comparative endings! Students try to find all three cards to form a complete set. For example, "big, bigger, biggest". The cards also feature pictures on the bottom so students can visually see they have a complete match when they have collected a snowman, pine tree, and blue bird. This game would be great for review or as a word work center! Enjoy!Elly Comparative Words (FREEBIE) by Are your students learning about comparative language? This festive activity has students sorting words into adjectives, comparatives and superlatives. Please consider leaving some feedback and a rating. I always appreciate it! Visit my blog Classroom Chit Chat for more teaching ideas and freebies! All content can be downloaded and printed for your own personal classroom use. You may not resell or claim this product as your own. This item is bound by copyright laws and redistributing, editingComparative & Superlative Adjectivesby Joyful Learning - Megan JoyComparative & Superlative AdjectivesStudents will learn the difference between Positive, Superlative, and Comparative Adjectives with these activities.Contents include...Positive/Superlative/Comparative Adjective Sort Positive/Superlative/Comparative Adjective Sort Recording SheetsPositive/Superlative/Comparative Adjective WorksheetPositive/Superlative/Comparative Adjectives Draw & Write ActivityThe sorting cards can either be laminated for repeated use as a literacy center, or it can bComparative Ending Packety Small Classroom SolutionsThis is an easy to use packet for working with comparative endings. I created this for use in my second grade class. I've used it for instruction as well we review. In this packet you'll find two anchor posters, four worksheets, and a sorting activity. The objective for these activities is to assist in the instruction of the spelling rules and patterns when adding comparative endings to words.Page 4AP Comparative Government & Politics Unit 1 Political Systems, Regimes, and Governments1.1 The Practice of Political Scientists1.2 Defining Political OrganizationsPowerPoint/Slide Show Lesson w/Students NotesHighly illustrated & animated 23 slide PowerPoint with a variety of links to current events, videos, images and country examples to make the material relevant, engaging and memorable. Just click through, discuss along the way, students turn in the notes sheet, and you're teaching APPage 5Animals Comparative Adjectives Boardgameby I use this game with my ESL lessons with students of ages ranging from 6 to 11 years old. INSTRUCTIONSThe children take turns to roll the die. On their turn, they have to build a sentence using a comparative adjective about the animals that appear on the circle they have landed on. If they succeed they get to stay where they landed. Otherwise they have to move one circle back or go back to where they were.If you like my resources please recommend them to other teachers and send them my way! PleaComparative Adjectives Wacky Trails Spanish Worksheet-Ernesto Clases DiversidasDescription: This is a 2-page wacky trails worksheet. Each worksheet has a total of 30 words, a puzzle grid, sentence clues with the missing words and a word bank at the bottom of page of the second page.How to Use It: Students will look at the word bank and use the words to fill in the missing words in the sentence clues. The missing words becomes the target words to be found on the grid. Each word has a start andPage 6The Great Gatsby Comparative Film Analysisby This lesson addresses the Common Core standard about comparing various interpretations of the same source material. Specifically, it asks students to compare the 1974 film version of The Great Gatsby and the 2013 film version of The Great Gatsby with one another and with the original text by Fitzgerald.In the lesson, students complete worksheets on the film. If you choose to show one of the films on its own, it is possible to use the worksheet for analyzing either the 1974 version or the 2013Spanish Comparatives War Instructionsby Here are the instructions on how to play a war game with your students favorite animated characters. This game can be played in groups or as a whole class. It's a fun way to get your students speaking and using their comparatives! If you don't feel like creating your own cards, mine are available on this site.Page 7Adjectives and adverbs in positive, comparative and superlative form. How to avoid using double comparatives and double superlatives. Includes how to use 'more than', 'less than', and 'most', etc. Good, better, best. Regular and irregular (exceptions to the rule) examples included. Photographs and clip art included to support examples. Opportunities to create double comparatives and double superlatives in sentences, and add to a table. List of absolute modifiers and examples. [US English - AlsoPage 8To teach this, I created a bag full of superlative adjectives ("funniest", "sportiest", "tallest", "prettiest", etc) and had students choose one out of the bag. Each student had a different superlative. They then created a snowman using this adjective so that, for example, one student's snowman was the "funniest" in the whole class. Then, they partnered up and compared snowmen using comparative adjectives (my snowman is taller than your snowman).Page 9Adjectives and adverbs in positive, comparative and superlative form. How to avoid using double comparatives and double superlatives. Includes how to use 'more than', 'less than', and 'most', etc. Good, better, best. Regular and irregular (exceptions to the rule) examples included. Photographs and clip art included to support examples. Opportunities to correct double comparatives and double superlatives in sentences, and add to a table. List of absolute modifiers and examples. [UK English - AlsoPage 10This essay assignment is designed for an English 102 course and can be easily edited for the purposes of an American Literature, Drama, AP Literature, or other higher level English course. The assignment directs students to write a five paragraph literary analysis essay comparing and contrasting the authors' messages about dreams using evidence from the text. A PowerPoint presentation for the unit leading up to this essay is available for purchase at my "Next Door Teacher" page on TPT.Comparative Book Analysis Reportby This learning task involves students completing reading, writing and persuasive speaking activities. My students greatly enjoyed being able to complete this language assignment and share what they know in a meaningful way. The focus of this learning task is on Dynamic Characters & Point of View.Subjects:Types:COMPARATIVES AND SUPERLATIVESBy Board to learn the rules about comparatives and superlative adjectives.It's an easy way to write down examples and practice adjectives. There's space under each rule to write down the example!It's black and white so they can colour and decorate it.Comparative and superlative survey. Black and white. by En esta actividad los alumnos tendrán que primero contestar en esa (puedo que tendrán que medir, pesar, etc.) unos datos sobre ellos mismos o sus cosas, después en clase preguntan esas mismas preguntas a los cuatro compañeros que les toquen. Para trabajar los comparativos y superlativos tendrán que realizar frases utilizando el genitivo sajón además.Subjects:Page 11 I Have Who Has... Comparatives Gameby Andy's Adventurous Education Print this simple and easy to use I Have Who Has Game. Pass out the cards so each student has one. The student reads the card, fills in the blank with the comparative form of the word, and then asks the question. This triggers the next student. It is a fun an easy game for getting students to practice using comparatives. I believe in paying it forward to my colleagues around the world. If you download this free product I created, please consider uploading one of your own creations and making itSubjects:Grades: 2-40Comparative Adjectivesby Distance Learning / Digital Resources for Students!A clay-mation video showing Adjectives that compare more than 2 people-places- or things!Visit my You Tube Channel: Patty Fernandez Artistfor over 500 other FREE videos that integrates the Visual Arts with other content areas you teach in a school day.Share my You Tube Channel: Patty Fernandez Artistwith your friends, school, and District. Page 1 and 2 print front to back. Page 3 is a stand alone page. Teachers should cut page 1-2 into the individual rectangles. On one side, there will be a solution, and on the other side, there will be a piece of the puzzle. Students will solve the problems on page 3 and cover up each problem with a piece of the puzzle (self-check). If their answers are correct, the puzzle picture will be complete. This activity is simiSubjects:Types:Page 12The student draws and describes the circulatory systems of a human, jellyfish or sponge, fish or crocodile, insect, tree, and protist. The drawing and description should include the pump, vessels, what is circulated, and how it is an open or closed system. This assessment requires higher order thinking. An answer guide is included for teachers. Coded for Virginia Biology SOLsBio 4.c; how the structures and functions vary among and within the Eukarya kingdoms of protists, fungi, plants, and Page 13Page 14Skills included: adjectives, comparative/superlative, articles. This versatile grammar worksheet can be used for a pretest/post test, in class practice, or homework. The skills included are typically taught in 3rd grade, but may be appropriate for 2nd, 4th, and 5th graders, as well. This worksheet is also available as part of a bundle. You Might Also Like 3rd Grade Grammar: Test Your Skills!Page 15Let's compare in the animal world!by A projectable game to revise comparatives and superlatives in ESL. In groups, students throw a dice and have one minute to write a sentence about the slide in their mini white board. If they fail, next group has 30 seconds, in the same white board, to try to put it in the correct way. The aim is that students correct their mistakes themselves in a kind of competition. It was really fun! It can also be used to revise the same topic but with speaking purposes.Grammar: Adjectivesby 42 common adjectives with pictures. Comparative and superlative form on them too.There are many ways for you to use them: Print them small and create a memory (Picture + Word).Creative writing: flip up a card and create a sentence with the verb or adjective. Also you can use different tenses (past, perfect, comparative ...) Print them on two sides and you'll have an autocorrective game !! Let's see how many words they can remember just seeing the pictures. You can also use points and create a ranAnimals: Spanish Guess Who FREEBIEby Help students practice animals, descriptions, comparatives, etc. with this fun speaking game! Start by putting students in groups of 3 or 4. Students will receive a note card (included) with an animal on it. They will hold the note card to their forehead without looking. The group will take turns describing each member's animal (without saying its name) until the "weavers" guesses which animal they have. My Spanish 2 students had a lot of fun with this activity.Grades:Cutting Paper by Protosby Help beginning chemistry students visualize the comparative sizes of molecules, atoms, and sub-atomic particles using this paper simulation. Use with my Elements and Atoms set. This free resource is brought to you by Science Cut Ups Types:Rocket Carby An activity in order to practise comparatives by creating a further student-based material communicative game. They need to invent their own rocket, draw it and write its characteristics. Go to "rocket comparison sheet" if you want to get the worksheet they need to complete after comparing their rockets.Comparing and Contrasting Lengthy On a pocket chart, model using comparative language with different picture file cards. Have sentence starters readily available. When you feel that students are ready, have them go around the classroom and find items that are longer or shorter or are the same length. This could even turn into a writing activity.PPT - International Trade & Globalizationby A power point applying the idea of comparative advantage between nations. Topics covered include: The difference between imports and exports The difference between free trade and protectionism An examination of why some countries pursue protectionist policies An examination of the "winners" and "losers" from free trade An examination of outsourcing and which jobs are likely to be outsourced An analysis of productivity and its role in outsourcing decisions An investigation into the working condInvestigation Design Characteristicsby Handy chart for comparing differences of descriptive, comparative, and experimental investigations. A great reference tool to include in Science Notebooks! This makes a great pre or post to my Designing Investigations set. This free resource is brought to you by Science Cut Ups Page 16Easy practice of suffix spelling: plurals (s, es), comparatives (er, est), jobs and roles (ist, er, ant, ian, or, ar, ee) adjectives (ful, some, less, able, ible, like)Page 17Looking for an interactive game to aurally identify the music comparative high vs low with your kindergarten and first grade students in music? They will love watching the kite fly across the page when they select the correct answer! Use it in the spring or anytime you are working on melodic direction. A fun game to use with the entire class, music sub tub, centers or distance learning!The product contains 5 student interactive slides. Each slide has several sound effects and animations. StudentSight Word Matching: Attributes- Big-Little 1 FREEBIEby Students with autism and cognitive impairments often have difficulty with comparative terms such as big and little or long and short. This activity assists students in learning to differentiate between "Big" and "Little" using real pictures and words that complement any sight word program, especially those designed for students with learning disabilities, severe cognitive delays, or are non-verbal. All of my products are designed to aid teachers and parents in differentiating for their strugSight Word Sorting: Big-Little 1 FREEBIEby Students with autism and cognitive impairments often have difficulty with comparative terms such as big and little or long and short. This activity assists students in learning to differentiate between "Big" and "Little" using real pictures and words that complement any sight word program, especially those designed for students with learning disabilities. All of my products are designed to aid teachers and parents in differentiating for their struggling readers and students with special needs.OF Fairfield Plantation Novel Coverby Cover of the novel Of Fairfield Plantation, a companion and comparative novel to John Steinbeck's novel Of Mice and Men. 76 pages. \$10.00 per book. \$1.00 S & H per book. Min order one class set of 10 books. After 10 books you may purchase single books. 30 or more books receive a 10% discount on the books.
